## A Few Announcements

Thank you to Erica Battle for trying to arrange a family event at Tiger Stadium. Unfortunately, the Tiger organization has limited group ticket numbers and we were unable to purchase a block of tickets for this year. Thanks to Margaret Doman and Denise Adams for bringing the Weather Whys Guy program to our younger students. The kids enjoyed the special break in their day.

Mothers' Club events are beginning to wind down and planning for the next school year is underway. Thank you to those who have stepped up to fill our chairperson openings. We still have room for more to join us and play an active role in our school community!

We hope to announce the nominations for President at our next meeting. There have been a few questions concerning the office of the Vice President. The VP does not become the next President. Each board position is filled independently. Our VP, Secretary and Treasurer will return for a second year of service and I'll serve my third year when I become the Past President. We're still looking for a President to coordinate the efforts of our committees.

As always, feel free to contact a board member with your ideas and comments. --Theresa
