You Can Do It!

We are continuing our search for our next President/Co-Presidents. No nominations were made at our last meeting and this important spot will now be filled without an election.

Keep in mind that many of our committees require little or no help from the President. A number of them are very small and consist of only two people.

There are a few social and fundraising events spread throughout the school year, but you don't need to attend all of them. We have great chairpersons handling the details. A President is needed to coordinate their efforts and communicate with the rest of our membership. You'd serve as the primary contact of the Mothers' Club for the school, church and outside organizations.

This position involves a small amount of public speaking, a handful of meetings, plus a bi-weekly newsletter (which is put together using text boxes and Microsoft Word but you can use whatever you've got! Most of the copy is submitted to you and only requires a bit of formatting.). The use of e-mail makes things easier and eliminates many phone calls. It also gives you the flexibility to handle things when your schedule allows.

Remember...you can job-share with a friend and the other board members are happy to help too! You'll be up to speed in no time. Most of the information/documents you will need are provided on computer disc and in a binder. It doesn't matter whether or not you have experience as a chairperson.

This is a great way to meet others and make a difference. It's truly not as hard or time-consuming as you may think. Please give it some serious consideration. And e-mail mclenon@wowway.com to ask questions or volunteer! Thank you. --Theresa
