

BE A BLEACHER BOOSTER

The Shrine High School Dads' Club in cooperation with the Grade School and Academy Dads' Club have constructed and enhanced the newly dedicated Lou Miramonti Athletic Field at the High School and Academy with the installation of new elevated aluminum bleachers and press box.

Although the funding has already begun, there is a way for you to honor a loved one, student, athlete, alumnus, parent, child, etc.

A GREAT way to do this would be to purchase a 1" X 6"

Lasting Impressions Recognition Plaque

To be mounted to the front of the bleacher seat.
How do you do this? See examples below and fill out the tear off form.
Please return to the High School, Academy, or Grade School office.

Make the \$50.00 checks payable to Shrine High School Dads' Club.

THANK YOU FOR YOUR SUPPORT!
